

# Information concerning repairs and modification of the C.H. Booth Library for 2017-2019

Future furnishings and attention will be focused on the Children's department, the conference rooms on level 3, lighting & carpeting in the lower hallway, the new Café area in the Gathering Space, and furnishings.

A considerable amount of attention will be paid to some facility priorities over the next 18 to 24 months. These include:

1. Correction of roofing and flashing leaks including chimney repointing and possibly the skylight.
2. HVAC repairs and corrections including any necessary corrections in crawlspaces.
3. Children's Department enhancements to include two glass walls for the small program room and bench seating along the walls in the current toddler play area.
4. A new book drop and the landing necessary to keep this equipment level.
5. Offices for co-working space on level three (Reference) with repairs to the ceiling in the alcove.
6. Lighting and carpeting in the lower hallway.
7. A new café area in the Gathering Space.
8. Corrections to the existing sliding doors and installation of another set of sliding doors creating a small vestibule.
9. Furnishings and space planning guided by a professional design consultant.
