Pave the Way Project

Purchase a Brick for Our Patio!

An engraved brick is a wonderful way to pay tribute to a friend or loved one, to honor a special occasion, display a favorite quote or just a friendly thought while also supporting the C. H. Booth Library.

Your donation of \$100 will underwrite an engraved brick with up to 3 lines of 14 characters each. Bricks will be placed on the Library's new patio according to space available.

Please make checks payable to CYRENIUS H. BOOTH LIBRARY

Your donation is tax deductible. Thank you for your support!

Please print your message in the spaces provided, using one block for each character, punctuation, or space. Be sure to write legibly. Text will be in capital letters and centered automatically on the brick.
